

rechte Koronararterie
(RCA, A. coronaria dextra)

linke Koronararterie
(LCA, A. coronaria sinistra)

R. interventricularis anterior
(der linken Koronararterie =
RIVA = LAD)

R. circumflexus
(der linken Koronararterie = RCX)

(Segmente der Koronararterien entsprechend Klassifikation der American Heart Association [AHA] 1975 [Austen et al. 1975])
